July 2010

Hey Gang,

Well summer is in full swing. Hope everyone is having a blast. We have had two big events so far and they have been great. Thanks to Bob, Tom, Sherry, and LaGrant for all the hard work putting together the Poker Run. Special thanks to Stan Hyde for guiding us through the mechanics and making sure everything went off without a hitch. Although we did not sell all the hands, we still had some pretty decent payouts. If you missed Bob and Tom's pancake breakfast you missed a treat.

Pearl River was a lot of fun. We had over 80 people attend. The golf was awesome. It's not every day you get to play on one of Golf Magazine's top 100 courses. Thanks to Jim and Judy McCullough for hosting the event. Nathalyne did a great job putting the golf tournament together. We had 18 players. The team of Judy White, Tom White, and Johnny Lott finished first at 4 under. One thing to keep in mind: if playing behind Judy, do not hit into her. She will knock your ball into the woods.

Melody will be hosting a Margarita Party this Saturday the 24th. So come on out and join in the fun. You will have a chance to meet some of our new members.

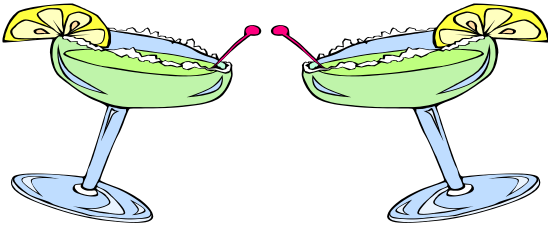

See ya on the river
